The Friendship Project was created for the interesting, intelligent kids in our lives who march to the beat of their own drum, and struggle to connect with peers. Our goal is to help them discover that peer play is possible and that friends can be fun! In a playful, accepting environment, our experienced play facilitators use movement, art, and teamwork activities to engage participants and teach them skills they'll need to make a friend and be a friend. Integrated Development Services has regional clinical teams based in Madison, Milwaukee, Fond du Lac, La Crosse, and Eau Claire
